29 The Court has reviewed Magistrate Judge Illman's Report and Recommendation Re
30 Motion for Default Judgment by Court Against Shasta Corporation. The time for objections has
31 passed and none were filed. The Court finds the Report correct, well-reasoned and thorough, and
32 adopts it in every respect. Accordingly, Plaintiff's Motion for Default Judgment by Court Against
33 Shasta Corporation and his request for attorneys' fees and costs are **DENIED**. The Court also
34 declines to exercise supplemental jurisdiction over Plaintiff's Unruh Act claim and therefore
35 **DISMISSES** that claim without prejudice to refiling in state court.

36 Finally, the Court **SETS** a telephonic case management conference on March 22, 2022, at
37 2:00 p.m. All counsel shall use the following dial-in information to access the call:

38 Dial-In: 888-808-6929;

39 Passcode: 6064255

40 //

41 //

42 //

43 //

1 For call clarity, parties shall NOT use speaker phone or earpieces for these calls, and where
2 at all possible, parties shall use landlines. No case management statement is required.
3

4 **IT IS SO ORDERED.**

5 Dated: 3/14/2022
